Celebrations at West Green House Gardens
An Idyllic Garden Venue in the heart of the Hampshire Countryside
Nestled in the heart of Hampshire barely forty miles from London, West Green House Gardens offers four seasons of beauty, contrast and inspiration. Created by acclaimed garden designer and writer, Marylyn Abbott, it is one of England’s finest manor house gardens, marrying traditional style with contemporary design. It’s a garden for all seasons and a unique venue for private events.

Filled with flowers and natural light, the Greenhouse is an enchanting setting for a special party. The original Orangery, built in the 1770’s, is a delightful and intimate space for smaller groups. While both the Lakefield and Apple Orchard offer a spectacular backdrop for a large-scale marquee event.

The garden encircles the 18th century baroque house, and boasts its own lake, moongate, nymphaeum temple and Chinese chicken garden, complete with pekin bantams. Guests are free to enjoy the grounds and it provides a picture-perfect setting for photographs. The quintessential kitchen garden yields a wealth of delicious homegrown produce, which is put to good use by the experienced team of chefs. Rhubarb is particularly abundant, inspiring West Green’s own indulgent rhubarb ice cream.

Whether you're planning a wedding, anniversary, christening or birthday, our capable events team will be on hand to make sure your party is seamlessly organised. From the planning stages to the day itself, we’ll make sure it’s an unforgettable experience for you and your guests.

“Thank you very much for making our wedding day so beautiful. The Greenhouse looked stunning and the atmosphere was just what we had hoped for and so much more. The food was delicious and the service was fantastic. It was a perfect day and we would like to thank you for your part in making it so special” Vanessa and Andrej Vaughan
